Mission: Make the bordertown of Kintani (aka Flagstaff) a **place of literature** by:

- re-Indigenizing literary art, culture, and community on the Colorado Plateau
- developing opportunities for the region's youth to practice storytelling and learn about poetics through the Youth Poet Laureate/Youth Poetry Council program
- encouraging artists, scientists, and cultural practitioners to tell the emergent ecological stories of the region
- designing adventurous programming that is multidisciplinary and off the page
